Tasting Notes

This delicious blush wine is semi-sweet and satisfies your taste buds with complex flavors of fresh strawberries, raspberries and blueberries, ending with a smooth finish.

Food Pairing Notes

Best served chilled, this wine is great enjoyed on its own, but also pairs well with light salads and sandwiches, mild cheeses, and berry-based or vanilla desserts.

Winemaker Notes

“Made with a white wine base, we add a bit of Merlot to Berry Breeze to give it its pink rosé wine hue. We don’t add too much because we don’t want it to take away from the fresh berry flavors, and we are happy with the result!”
