Winemaker Notes

Being a “new” wine for ADK Winery, we wanted to improve on the tasting profile of the original California grape version of Amethyst Sunset by bringing out more fresh blackberry flavors. We accomplished that by using 5 different grapes which mostly have a neutral profile for taste as blackberry can be fairly subtle so it needed that neutral base to shine.

A LOVE OF WINE AND FAMILY has brought us back to our roots in the beautiful Adirondacks to share our award-winning, locally-handcrafted wines with friends new and old. From our family to yours, thank you for being a part of our story and for letting us be a part of yours!
